

#Reg. No.
2024QGAQUA021

Issued date
16 August 2024

Certificate of Completion

Raushan Kumar

has successfully completed 1 month virtual training on

Remote sensing using QGIS: Fundamentals and Application

at Quest GIS

02 July 2024 – 01 August 2024.

The participant has demonstrated hands-on practical proficiency in GIS fundamentals, GUI configuration and Plugins setup, Georeferencing, CRS Projections, Digitization/Editing techniques, mapping through remote sensing and raster data loading and processing (Watershed delineation, water quality and flow assessment, LULC, mangrove forest and shoreline change mapping) and the Art of layering and symbology classification along with map displaying.

The certificate is issued only after the successful submission and evaluation of the series of assignments.
